

# Solutions for Hostage Rescue

**October 21-23rd, 2019**

## Hosted by Lawman Security and Consulting

### Course Description:

Hostage Rescue is the most complicated mission an officer could find himself in. It requires the most advanced skills and will test decision making and team capabilities under extreme circumstances.

Lawman Tactical is offering a 3-day Hostage Rescue Course that will provide Tactical Team Members with the skills to successfully resolve and manage hostage situations. This course will consist of liability/legal concerns, structural movements and considerations, scenario based planning and resolution, and simunitions evolutions to test and evaluate decision making. Focusing on hasty planning and unique circumstances.

### Topics covered will include:

- Liability/Equipment
- Individual CQB Skills
- Team Movement
- Multi-Team/Breach Point Operations

**The goal of the course is to provide each Officer the skills to be a successful member of a Hostage Rescue Entry Team.**

**Prerequisite:** 40 hours of Basic SWAT School
